Education

University of St. Gallen

St. Gallen, Switzerland

PHD IN ECONOMICS AND FINANCE

03/2022 - present

- Focus on Econometrics, Machine Learning, and Finance
- Supervisor: Prof. Francesco Audrino
- Coursework with Prof. A. Abadie, Prof. V. Chernozhukov, Prof. P. Gagliardini, Prof. A. Krishnamurthy (among others)
- Research stay at **Aarhus University**, Denmark, hosted by Bezirgen Veliyev

University of St. Gallen

St. Gallen, Switzerland

MASTER OF ARTS IN QUANTITATIVE ECONOMICS AND FINANCE

09/2019 – 02/2022

- GPA: 5.7 (US Equivalent: 3.85, top 5%)
- Thesis: Realized Covariance Forecasting with Neural Networks
- Focus on Financial and Causal Econometrics, Machine Learning
- Exchange to **Stockholm School of Economics**, Sweden

Eberhard Karls University Tuebingen

Tuebingen, Germany

BACHELOR OF SCIENCE IN BUSINESS AND ECONOMICS

10/2015 – 02/2019

- GPA: 1.1 (US Equivalent: 3.9, Best Bachelor's Degree)
- Thesis (published): Measuring the Impact of MiFID II on Information Asymmetries using Microstructure Models ([link](#)).
- Exchange to **San Jose State University**, United States

Professional Experience

- from 2021 **(Doctoral) Research Assistant**, Faculty of Mathematics and Statistics, University of St. Gallen
- 2021 **Research Assistant**, Swiss Institute of Banking and Finance, University of St. Gallen
- 2020 **Intern**, Deutsche Bundesbank, Common European Pricing Hub
- 2019 - 2021 **Research Assistant**, Institute of Economics, University of St. Gallen
- 2019 **Intern**, Deutsche Bank AG, Interest Rate and Foreign Exchange Risk Management for Corporates
- 2018 - 2019 **Developer and Working Student**, TOPSIM GmbH, Development of Business Simulations
- 2018 **Working Student and Intern**, Deloitte GmbH, Risk Management for Banks
- 2016-2017 **Teaching Assistant**, University of Tuebingen, Chair for Banking

Working Papers and Conference Papers

- Senn, E.** (2025). Model Recovery in Symbolic Regression: Theory, Conjectures and Open Questions ([link](#)).
- Senn, E. joint with Phan, M. T.** (2025). Read Them All at Once - Efficient Language Modeling for Very Long Financial Documents ([link](#)).

Awards, Fellowships, & Grants

- 2026 **Mobility grant for doctoral students**, University of St. Gallen 29,000 CHF

Presentations

- Senn, E.** (2025). A comparison of sequential and integrated estimation of realized volatility models used in portfolio optimization. Oral presentation: 19th International Conference on Computational and Financial Econometrics, London, United Kingdom.

Senn, E. *joint with* Audrino, F.; Halousková, M.; Hirt, C.; Panzeri, G. (2025). Financial Social Networks. Poster: GPEF Day at University of St. Gallen 2025, St. Gallen, Switzerland.

Senn, E. (2025). Model Recovery in Symbolic Regression: Theory, Conjectures and Open Questions. Oral presentation: The Genetic and Evolutionary Computation Conference 2025 - Symbolic Regression Workshop, Málaga, Spain.

Senn, E. *joint with* Audrino, F. (2024). The power of visuals: Using social media images for financial sentiment analysis. Oral presentation: 18th International Conference on Computational and Financial Econometrics, London, United Kingdom.

Senn, E. *joint with* Phan, M.T. (2024). LongFinBERT: A Language Model for Long Financial Documents. Oral presentation: 1st Financial Fraud, Misconduct and Market Manipulation Conference, Lancaster, United Kingdom.

Senn, E. *joint with* Phan, M.T. (2024). LongFinBERT: A Language Model for Long Financial Documents. Oral presentation: 26th International Conference of Computational Statistics, Giessen, Germany.

Senn, E. *joint with* Phan, M.T., (2023). LongFinBERT: A Language Model for Long Financial Documents. Oral presentation: 17th International Conference on Computational and Financial Econometrics, Berlin, Germany

Senn, E. *joint with* Phan, M.T., (2023). LongFinBERT: A Language Model for Long Financial Documents. Poster: GPEF Day at University of St. Gallen 2023, St. Gallen, Switzerland.

Senn, E. (2023). Testing Financial Reference Dependence with Attention-based Reference Points. Oral presentation of Research Idea: Research Workshop, Gais, Switzerland.

Teaching Experience

2025	Introduction to R (Master) , Lecturer	<i>St. Gallen</i>
2024	Understanding and Training Language Models (Master +) , Lecturer	<i>Hohenheim</i>
from 2023	Introduction to Programming in R (Master, 1 day) , Lecturer	<i>St. Gallen</i>
from 2025	Data Science Fundamentals (Bachelor) , Teaching Assistant	<i>St. Gallen</i>
from 2024	Data Analytics II - Econometrics (Bachelor) , Teaching Assistant	<i>St. Gallen</i>
from 2021	Data Analytics I - Statistics (Bachelor) , Teaching Assistant	<i>St. Gallen</i>
2023	Mathematics A (Bachelor) , Teaching Assistant	<i>St. Gallen</i>
2016-2017	Introduction to Business and Economics (Bachelor) , Teaching Assistant	<i>Tuebingen</i>

Skills

Programming: Python, R, $\LaTeX$, markdown, GAUSS, SAS [*intermediate*], VBA [*intermediate*]

Languages: German [*native*], English, French [*basic*], Russian [*basic*]

Academic Service and Miscellaneous

from 2025 **Peer Reviewing:** Neural Networks

from 2024 **PhD Programme Representative**

from 2024 **Co-Organizer of the Methods Reading Group and the PhD Seminar/Stammtisch**

from 2024 **Member of the Tenure Track and Promotion Committee at the University of St. Gallen**

from 2023 **Organizer of internal Mathematics and Statistics Research Seminar**

2023 **Finalist of Econometric Game Amsterdam**

2022 - 2023 **Jury member for the Global Essay Competition of the St. Gallen Symposium**

Lifelong **Bouldering, Cycling and Game Enthusiast**
